

# Gain a Basic Understanding of Insurance

## Complete The Institutes' Insurance Essentials Course

Insurance Essentials is designed for employees who are new to the risk management and insurance industry or who are not involved in hands-on, day-to-day technical operations.

Delivered in an online, self-study format, Insurance Essentials provides a basic understanding of insurance concepts and operations through practical content and features, including:

- Streamlined topics for a manageable learning experience
- An engaging, animated video format
- “What You Have Learned” videos in each assignment for maximized learning

**Course Level:** Beginner

**Estimated Completion Time Frame:** 4 hours

**Recommended for:** Employees new to the risk management and insurance industry

### Topics Covered Include:

- Introduction to insurance and risk management
- The role of insurance
- Insurer profitability
- Insurance industry companies and roles
- The typical insurance transaction
